

Sport Premium

The Government is providing additional funding to improve the provision of PE and sport in primary schools. This funding is ring-fenced and so can only be spent on PE and sport.

At Heworth we expect to receive approximately £8600 for 2016-2017. This is to benefit every child in the school. We currently have 144 children on roll.

Details of spending

In 2016-17, we were allocated £8600

We are spending part of the money on:

- Membership of the York School Sports Network level 1. This provides us with access to local competitions and sports leagues.
- Huge investment in new equipment and better storage facilities.
- New sports kits for children to wear at competitions
- Coaching from Yorkshire Cricket Club.
- Coaching from the York City Knights rugby league club.
- Membership of Heworth Tennis club in order to use their new refurbished all weather tennis courts.
- Coaching from Heworth Tennis Club.
- Employing support staff to lead after school sports clubs.
- The hire of the local Church Hall for indoor PE.

Extra-Curricular Activities

Through this funding we have also increased provision for and uptake of sports clubs. We have increased the number of spaces at clubs.

Sports clubs on offer during the year:

- Football (mixed)
- Football (girls)
- Hockey
- Cricket
- Tag Rugby
- Total fitness
- Netball

These are subsidised by use of the Sports Premium, so that children can access them at a reduced cost.

Competitive Sport

In 2016/17 we are signed up to be taking part in competitions involving the following sports:

- Football (KS1, LKS2 and UKS2)
- Hockey
- Netball
- Girls' football,
- Cricket and
- Tag rugby
- Cross country running
