Finally, don't forget that Monday (28th) is a teacher training day. School resumes on Tuesday 29th November.
Have a great weekend.

Heworth Christmas Fair - Friday 9th December 2022
3.15pm - 4.15pm

Our annual Christmas Fair is once again upon us and our Friends group have been busy trying to organise this over the past few weeks. From hearing their plans, it sounds like it's going to be lovely. To help with this, we are asking parents to help support the event. Firstly, by joining us at the Fair and secondly by donating items to this. The Friends Group are looking for the following:

Bottle Under Wraps Stall - Please can parents bring in a donation of a bottle. This can be anything from an alcoholic drink (must be labelled A at the bottom) to shampoo. You may wish to wrap this too to help. Could all donations be in by Monday 5th December please.

Tombola - We also have a boxed Tombola stall. If you are able to donate to this, we would be grateful. This can be anything you wish and does not need to be wrapped.

Reminders

School Photographs

Have you ordered your school photos yet? A polite reminder that the closing date for free delivery back to school is Sunday 27th November 2022. Order through the Tempest website using your unique link or visit www.tempest-orders.co.uk
If you need any assistance in ordering your photos, feel free to contact Tempest on 01736 751555 (option 3).

Painter and Decorator Needed

We are looking to update a few rooms in the school with a lick of paint or two. Before we go to external contractors, we wanted to invite any parents/carers who are painters and decorators to take a look and offer us quotes. If this is you, please contact the school office and we can arrange for you to come and take a look.

Archbishop to read his children's book The Sleepy Shepherd

The Archbishop of York, Stephen Cottrell, will be at York Minster's Lady Chapel from 10.30am on Saturday 17 December, to give a reading from his children's book, The Sleepy Shepherd.

Archbishop Stephen said, "I have always loved the act of sitting down with my children and now my grandson, and thoroughly enjoyed the wide-eyed extravagant wonder of a tall tale. We all have imagination but, like every other muscle, it needs exercising. Story-telling has been a vital bedrock of every culture. So, on this first weekend of the school Christmas holidays, I am inviting young children, parents and carers to come to York Minster, and capture some of the joy of sharing a Christmas story together."

This is a free non-ticketed event, spaces for the reading will operate on a first come first served basis. There will be bean bags to sit on in the Lady Chapel and all are welcome.

New Reading Books

As you may be aware, the school has invested heavily in a new reading scheme this year. To accompany this, a number of new books have been ordered to complement this investment. Can I just remind you to take great care of these books when they come home with your child. I'm afraid that, if a book does get damaged and we feel that we need to replace it, we will ask that you foot the cost of this. This cost is **£5** per book. I'm sure you will understand why we need to do this.

School Reading Books

Could I please ask that you check that your child has their reading book and planner with them each day before they arrive at school. It is essential that they have these with them so that we can support them with their reading.

Christmas Jumper Day - 9th December 2022

To coincide with the date of our Christmas Fair, we will also be having a Christmas Jumper Day on Friday 9th December. Christmas Jumper Day is Save the Children's annual event which raises money for children in the UK and across the world. Every December, millions of people across the United Kingdom (and beyond!) put on a festive outfit at their workplace, school or with friends and make a donation to help give children the magical future they deserve. We suggest £1. Chil-

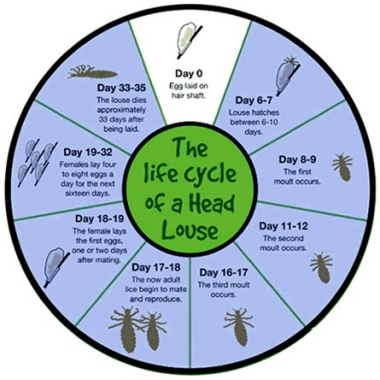
Head Lice

As I discussed last week, we are seeing more and more cases of head lice in school at the moment. We ask that you be vigilant with this and treat your child should you see anything suspect. There is no need to keep your child off school once they have been treated. Please ensure that you are following the guidelines as stated clearly below:

Detection

- Detection is more successful by very regular inspection. The best time is routinely when your child's hair is washed. Use a fine toothed comb on wet, conditioned hair.
- Part the hair into small sections.
- Comb each section systematically.
- Comb from the scalp to the very ends of the hair.
- Lice are easier to see if combed onto a light surface (the bath, a basin or a sheet)
- Wash away and kill any lice found.



Treatment

Only individuals who have lice or eggs need to be treated.

Medicated Treatment

Use a treatment recommended by a Doctor or Pharmacist or Nurse. The School and Health Visitor have the list of recommended preparations in accordance with Regional Guidelines. REMEMBER Anyone can catch Head Lice. Check everyone regularly.

Non-Medicated Treatment

Comb with a fine toothed comb on really wet conditioned hair. Do this for at least 5 minutes every 3 days, for 2 weeks. Ensure the whole head is combed each time from scalp to ends of hair. This will remove the lice before they are mature enough to lay eggs or transfer to another head. Carry on the routine weekly checks after the treatment time.

Impetigo

There have been a number of cases of Impetigo in school recently so we thought it best to share some advice on what to and not to do in relation to your child should they get this.

- **See your GP immediately if you feel your child has Impetigo - they will prescribe an antibiotic cream. Because Impetigo is very infectious, check with the GP before you go into the surgery. They may suggest a phone consultation.**

Impetigo can easily spread to other parts of your body or to other people until it stops being contagious.

It stops being contagious:

- 48 hours after you start using the medicine prescribed by your GP
- when the patches dry out and crust over (if you do not get treatment)

To help stop impetigo spreading or getting worse while it's still contagious:

Do

- ✔ stay away from school or work
- ✔ keep sores, blisters and crusty patches clean and dry
- ✔ cover them with loose clothing or gauze bandages
- ✔ wash your hands frequently
- ✔ wash flannels, sheets and towels at a high temperature
- ✔ wash or wipe down toys with detergent and warm water if your children have impetigo

Don't

- ✘ do not touch or scratch sores, blisters or crusty patches – this also helps stop scarring
- ✘ do not have close contact with children or people with diabetes or a weakened immune system (if they're having chemotherapy, for example)
- ✘ do not share flannels, sheets or towels
- ✘ do not prepare food for other people
- ✘ do not go to the gym
- ✘ do not play contact sports like football

I must draw you to the top point in the DO list. **Please do not send your child into school if Impetigo is suspected.** Please contact your GP immediately. You can find out more information at https://www.nhs.uk/conditions/impetigo/. All the information above has been taken from this NHS webpage.
